Good afternoon Mr. McGill,

Thank you for providing the correspondence regarding the proposed CWA Section 404 program for the state of Florida. The Muscogee Nation would like to enter into government-to-government consultation with the EPA regarding the program. Please send any dredge, fill material, or any undertakings requiring ground disturbance to our [Section106@mcn-nsn.gov](mailto:Section106@mcn-nsn.gov) email and we will provide our response/comments ASAP upon receipt. The Muscogee Nation looks forward to working with you.

Thank you,

**Robin Soweka Jr.**

**Subject:** Consultation Under the NHPA regarding the State of Florida's Request to Assume Administration of a CWA 404 Program

Good afternoon!

Attached to this email is a letter that offers consultation and coordination with the Muscogee (Creek) Nation under the National Historic Preservation Act regarding the EPA's action on the State of Florida's request to assume administration of a Clean Water Act Section 404 program. The EPA received a complete package from the State of Florida regarding this request on August 20, 2020.

The attached letter includes a link to a OneDrive folder that contains the electronic files that comprise Florida's program submission request. Please note, you may receive a separate email that notifies you that you have access to this OneDrive folder. If there is anyone from your office beyond the recipients of this email that wishes to have access to the OneDrive folder, please send their names and email addresses to [404Assumption-FL@epa.gov](mailto:404Assumption-FL@epa.gov). If you have any questions please let us know.
